The Unverified List includes names and countries of foreign persons who in the past were parties to a transaction with respect to which BIS could not conduct a pre-license check ("PLC") or a post-shipment verification ("PSV") for reasons outside of the U.S. Government's control. Any transaction to which a listed person is a party will be deemed by BIS to raise a "red flag" with respect to such transaction within the meaning of the guidance set forth in Supplement No. 3 to 15 C.F.R. Part 732. The "red flag" applies to the person on the Unverified List regardless of where the person is located in the country included on the list.
